

## EQUIPMENT

- 2 × **Technics SL-1200 / SL-1210** turntables, in perfect working order
- 2 × **Pioneer CDJ-2000NXS2** or higher (CDJ-3000), linked, latest firmware
- 1 × **Mixer:** Pioneer DJM-A9 / DJM-V10, or Allen & Heath Xone:92 / Xone:96

## MONITORING & SOUND

- 2 × **professional-quality monitor speakers** + subwoofer, positioned at booth level
- Monitor volume must remain under the DJ's control at all times (max 101 dB)

## HOSPITALITY

- Minimum 4\* hotel — 1 × double room with late checkout
- High-speed broadband internet in room, 24h, at no cost to the artist
- 1 × hot meal for the artist before the show, or €50 buy-out

The setup above is required as drawn: turntables on the outside, CDJs inside, mixer centre. Please confirm any substitutions with the artist in advance.
